**Re: CS Docket No. 02-52; GN Docket No. 00-185; CC Docket Nos. 02-33,95-
20 & 98-10**

Dear Ms. Dortch:

On August 4, 2005, I spoke to Jessica Rosenworcel, Legal Advisor to Commissioner Michael Copps in the above captioned proceedings.

I expressed the cable industry's view that the Commission should continue to maintain its position of vigilant restraint regarding questions of "net neutrality" and not adopt specific rules or principles that would tend to interpose the FCC in business negotiations. Since 1999, the Commission has resisted efforts to adopt such principles and rules. Any change of course would impede, not help, the development of the Internet, as previous Commissions have also concluded.

This letter is being provided to your office in accordance with Section 1.1206 of the Federal Communications Commission rules.

Respectfully submitted,

/s/ Daniel L. Brenner
